

KiZi

for Primary School Children

We offer a daily group program tailored for primary school children. Each afternoon, kids are supported and guided by two qualified social educators, with the assistance of interns.

Here's what we offer for kids:

- creative leisure activities, games, and sports
- free lunch every day
- homework help and academic support
- making new friends
- exciting outings and amazing holiday trips

... and for parents:

- Guidance on parenting and child development
- Support in navigating school, after-school programs, and administrative matters
